Skills

- C# | .NET | JavaScript | MSSQL | Express | React | jQuery | NoSQL | Git | Python | Html/CSS | Angular
- Azure | Cloud Computing | Selenium | OOP | Unity 3D | Mircroserviços
- Microservices | Windows Forms | Frontend | Backend | Full-Stack | English, Portuguese – *All professional proficiency or above*

Experience

Developer Jr III

Lynx Process

Vitória, ES, Brazil

05/2022 - now

- I collaborated for the project of autonomous machines at Vale do Rio Doce, helping to develop part of the product used in the application where the number of defective ore plies reduced to almost 0 per year using **C#** , **SQL Express**, **JavaScript** , **HTML/CSS** , **Asp.Net**.
- I actively participated in the development of the system that manages and schedules when the Vale do Rio Doce yards will be used for some service to stack ore, recover from finished pile, board the ship or retrieve the ores from the ship using **Asp.net core MVC**, **C#**, **JavaScript**, **HTML/CSS** , **SQL Express**.
- Continuous Integration/Deployment Pipeline Integration, pull requests, code reviews, tests.

Developer Jr

Lynx Process

Vitória, ES, Brazil

05/2021 - 05/2022

- I migrated the first version of the web yard management system from **JavaScript** to **C#** using **Asp.Net MVC**, optimizing the system and making it more fluid.
- I migrated part of Hydro's PIMS system from **react** to **angular**.
- Develop part and maintained the 2D screen creation system based on WPF using **C#** , **Asp.Net**.

Developer Intern

Lynx Process

Vitória, ES, Brazil

06/2019 - 05/2021

- System testing, minor and occasional bug fixes, web system development using **C#** and **unit tests**.

Education

Technical Degree

Estácio de Sá

Vitória, ES, Brazil

03/2023 - 12/2025

- Analysis and Systems Development

Projects

- **50 years man in the moon**: College design in 3D in celebration of the 50 year of man on the moon made in unity 3D with augmented reality **(10/2029)**.

Others

- **Certificate IBSEC** : Informatic Fundamentals **(05/2023)**
- **Certificate English** : Certificate English Advanced **(05/2016)**
